Scope:

The primary function of the Armed Response teams is to protect Telkom's cable network and to deter persons from attempting to steal cable or sabotage Telkom's cable network.

Critical Criteria:

Set aside tender for Black Suppliers

The Black supplier shall be a company that is 51% and above owned and managed by Blacks. Black Management control shall mean Black Executive directors, managers, members including partners whom posses authority to change and influence material decisions in the business. These managers shall be actively involved in the daily operations of the business.

For this particular RFB, Telkom however requires a 75% equity ownership and above of which 30% should preferably be black females.

Render service to a whole region

When bidding for a region, as broken down by Telkom, the bidder must be able to render the service anywhere in that region. Bidder must indicate compliance to this requirement.

Telkom however reserves the right to award the region to one or more vendors depending on the operational need. Successful bidders will therefore not necessary be successful with a whole region.
