#### **Critical Criteria:**

The Bidder must provide documentation as proof of its accreditation by the Transport Education and Training Authority(TETA), in terms of the SAQA Act and in accordance with the Driven Machinery Regulation 18 as published with the Driven and Safety Act 85 of 1993. The accreditation must not have expired.

The trainer/s and assessor/s must demonstrate completed competence for providing assessments as evaluated by an authorized body as detailed in SAQA ID 7978. The Bidder must attach the facilitators and assessors accreditation /certification that has an Instructors Registration number.

The bid is a set aside for Black owned companies. Black owned companies are companies with 51% and/or above owned by blacks.

Set aside is a special condition that gives preference in the procuring of goods and services from Black suppliers. A black supplier shall be a natural person or legal entity that is bonafied materially owned and controlled by South African Blacks, who are commercial active on an ongoing basis to add commercial value and is certified as such by ongoing basis to add commercial value and is certified as such by Telkom. The Black owned supplier shall be a company that is 51 % ( fifty one percent) and above owned and managed by Blacks. Black Management control shall mean Black Executive directors, managers, members including partners whom posses authority to change and influence material decisions in the business. The managers shall be actively involved in the daily operations of the business. Blacks/PDI shall mean Africans, Coloureds, Indians, Black women and disabled people, excluding naturalised South Africans.
