### **SCOPE:**

Telkom wish to invite potential Bidder/s throughout the country to provide the supply of GPS-GIS handheld professional tools.

### **CRITICAL CRITERIA :**

The following critical criteria will be used to evaluate. Failure to comply with this criteria will result in automatic disqualification:

1. The Proposer/s must have a Black shareholding of greater than 25% in the company responding to this RFP.
2. The unit must be sub-meter accurate
3. Post process differential positioning data, must comply to Telkom maintained base stations, as well as Government Trignet base station network.
4. The software on the unit must comply with Environmental Systems Research Institute (ESRI) protocol. The software must enable new data to be captured, while extracted data must be editable.

NB: For evaluation purposes bidder/s response/s must contain full supporting documents as reference.

**The tender document can be obtained from Telkom's Tender Office at the following address:**
