SCOPE:

The sourcing of an approved service provider for Firearm Training, on unit standard code 10748 for the use of a handgun and unit standard code 10754 for the use of a shotgun, to Telkom's Security and Investigation Investigators and Security Consultants.

The training must be provided at the service providers venues nationally.

CRITICAL CRITERIA

The following Critical Criteria must be met to enable the potential service provider to advance to the second phase of the evaluation.

Failure by any service provider to comply with these Critical Criteria will be eliminated / disqualified from further evaluation:

- 1) The Firearm training service provider must be accredited with the Poslec SETA, in terms of the South African Qualifications Authority Act, Act 58 of 1995, for the specific unit standards they are allowed to offer.

The service provider should attach a certified copy of their accreditation with the Poslec SETA.

- 2) The Firearm training service provider must be accredited by the Central Firearms Registrar (CFR), in terms of the Firearms Control Act, of 2000.

The service provider should attach a certified copy of their accreditation with CFR.

- 3) The service provider must have a minimum of 25% Black Equity Ownership.

The service provider should attach the following:

- Shareholders certificate/s
- Shareholder agreement/s
