10. Customers receiving the donated data bundle shall not be allowed to transfer that data bundles to others.
11. The donated data bundles shall not be pro-rated, and the customer shall be able to utilize it until it is fully consumed or has expired. Unused donated data bundle shall not carry over; when the bundles expire customer will forfeit all unused data.
12. In case where a customer has two or more once-off LTE/LTE-A data bundles available, the customers shall be allowed to transfer data from the first LTE/LTE-A once-off data bundle.
13. Once the data bundle has been transferred, the transfer cannot be reversed.

**Migrations Rules:**

Customers are permitted to request a migration after 3 months into their contract. Below are rules governing Upward and Downwards migration.

**Upward Migrations:** An upward migration refers to the scenario when the subscriber wishes to move to a package of a higher base subscription than the existing package, during the fixed term portion of the agreement.

1. The subscriber may upward migrate without any penalties at any time during the fixed term agreement subjected to the differences in the base subscription.
2. The subscribers shall retain any balance of the once-off data bundles at the time of an upward migration.

**Please note the following:**

**A:** The new offer starts immediately after Telkom activates the service upon courier delivery and the customer being informed by the RICA agent. The commitment period for Base to Base will continue until the end of the

new commitment period. E.g., Migrate from SmartBroadband 5GB Wireless Top-Up of 24 months in month 12 to SmartBroadband 10GB Wireless Top-Up of 24 Months, means that the contract continues from month 12 until month 24 of the new offer, thereafter it will continue-on a month-to-month basis.

**B:** When migrating from “Base to Deal” and “Deal to Deal” and “Deal to Base”, the commitment period shall be set according to the new contract period and the associated terms and conditions.

**C:** Base refers to the offer or service that is not linked to a device and deal refers to the offer or service that is linked to a device.

**Downward Migrations:** A downward migration refers to the scenario when the subscriber wishes to move to a package of a lower base subscription than the existing package, during the fixed term portion of the agreement.

1. The Subscriber will be liable to pay an admin fee for a downward migration, which will be determined at the time of requesting the migration.
2. The Subscriber shall retain any balance of the once-off data bundles at the time of downward migration.
3. Telkom shall, as a downward migration fee, recover the difference in device pricing between the original and the newly selected packages as well as an administration fee.

**Please note the following:**

**A:** The new offer starts immediately after Telkom activates the service upon courier delivery and the customer being informed by the RICA agent. The commitment period for Base to Base will continue until the end of the new commitment period. E.g., Migrate from SmartBroadband 5GB Wireless Top-Up of 24 months in month 12 to SmartBroadband 10GB Wireless Top-Up of 24 Months, means that the contract continues from month 12 until month 24 of the new offer, thereafter it will continue, on a month-to-month basis.

**B:** When migrating from “Base to Deal” and “Deal to Deal” and “Deal to Base”, the commitment period shall be set according to the new contract period and the associated terms and conditions.

**Discounts that are applicable in the existing products shall not be carried over to the new contract/commitment period.**

**A:** Value added services (VAS) shall only be re-established on customer request and according to the eligibility of the new offering.

**B:** Customers choosing to migrate to either upward or downward prior to the expiration of the contract/commitment period shall be able to do so; however admin fees and penalties shall be applied by Telkom, where applicable.

**Early Terminations:** Early terminations refer to scenarios where the subscriber wishes to terminate the agreement prior to the agreement expiry date.

1. The subscriber shall be liable to pay upon early termination or cancellation of the contract, where applicable, any associated costs such as administration charges, service charges etc.
2. The early termination/cancellations fee will be calculated at the time of requesting the early termination.

**Service Conversions:** This refers to scenarios where subscriber wishes to change from the top-up account to either a post-paid account or a prepaid option.

1. Early termination shall be applicable, but the subscriber shall be permitted to retain the originally assigned mobile number as allocated to/ or ported over by Telkom Mobile.
2. When a subscriber converts from a prepaid product offering to a post-paid or top-up product offering, all free resources such as data deals, messaging deals shall be retained.

3. Upon sign-up and activation of a mobile contract, customers shall not be permitted to convert to another offering within a 3-month period, from such contract activation.
4. Standard conversions rules shall apply pertaining to conversion for customers on a voice plan to a data plan and vice versa i.e., conversion from a FreeMe 1GB to a SmartBroadband 5GB Wireless Top-up shall not be supported and vice versa.
5. Prices are valid at date of print. E&OE.
