What makes FlexOn so flexible?

FlexOn allows you to use your data for whatever you want, whenever you want - NOW that's flexibility.

You get to use your data your way with no limitations on specific apps and hours.

Migrate to the Telkom network and save with on-net calling minutes for all Telkom mobile and Telkom fixed numbers.

Why you should go for Infinite.

Never run out of data – Infinite plans offer unlimited data.

Substantial all-network anytime premium data at fastest network speed possible.

Once data allowance is reached, you will still have infinite data, just at a slightly slower speed.

Slower speed still allows you to have internet access.

Enjoy free calling between Telkom numbers.

Infinite has been specifically tailored for smartphone use – ensuring Infinite data at Standard Definition.

Free 200 Telkom-to-Telkom minutes				

Available on a mobile contract bundled with a device or as a SIM-only, month-to-month plan.

PureFLEX offers excellent value with airtime-based options, providing more airtime than what you pay for each month.

Personalise your plan to suit your specific needs by using your allocated airtime for calls, internet access and purchasing data, minutes or SMS bundles.

Simply recharge with additional airtime on the PureFLEX TopUp plan when needed.

For customers on an open-ended contract, you can continue using extra services up to your set spending limit.

Enjoy 200 free on-net minutes every month for calls to any number on the Telkom network.
